

Lan-Oak Park District  
Planning Committee  
August 8, 2019

The meeting was called to order by Chairperson Adams at 5:00 p.m. Upon roll call the following were present: Committee Members – Commissioners Tropp, Adams, and Ex-Officio Commissioner Long. Staff: Senior Superintendent of Strategy & Operations Desjardins and Superintendent of Parks & Maintenance Havran. Guest: Melanie Jongsma.

There were no addresses from the audience.

The committee reviewed information obtained at the debriefing meeting of August 1, 2019 relating to the July 4 event. The committee is willing to change the date of the event. Desjardins was directed to put together plans for modified event and return to the committee.

Park rentals were briefly discussed. The park district has had 249 park rentals, thus far, in 2019. Of those 249, three have presented a problem. The allowing of grills, inflatables, and amplified music was discussed. The staff was directed to compile a list of recommendations for any changes to park rental rules in 2020.

The committee reviewed the most recent submission from Hitchcock Design group relating to the Park Plaza schematic design and watched a flyover video of the proposed development.
